# CHILLING COIN (CHC)

Whitepaper Version1.0-July2025

OVERVIEW

Chilling Coin (CHC) is a meme-powered, community-driven token built on BNB Smart Chain. Designed for those who love both vibes and value, CHC blends fun, fairness, and functionality into one chill package.

With a renounced contract, locked liquidity, deflationary supply, and a rapidly growing community, CHC is more than just another meme - it's a movement.

TOKENOMICS

Total supply: 1,000,000,000,000 CHC
